

THESE ARE AMONG THE BEST ONLINE GENEALOGY SEMINAR CLASSES YOU'LL EVER FIND

An outstanding list of Webinar Classes — provided by Judie Fry of the QCGC Education Committee:

Legacy Family Tree Webinars/My Heritage Webinars

www.familytreewebinars.com

These are on Tuesdays, Wednesdays and sometimes Friday. On the day it is presented live it is FREE and usually FREE for the next 5 days. In order to see the syllabus you need to be a member. Yearly membership is \$50..but on the day of the live webinar there is a coupon code for 10% off. Also, a few times during the year there is a substantial discount. I feel this is the best-spent money on genealogy anywhere because in the Webinar Library are **1,706 webinars** !!! and 6,253 pages of syllabus by 354 speakers (that's as of today). As a member you can access any of it anytime.

Lisa Louise Cook Genealogy Gems <https://lusalouisecooke.com> There are a lot of free things on her site. If you get her email, then you always know what is going on with her. She is the Google expert, among a lot of other things. She does an almost weekly podcast which is FREE. She also does a Facebook group called "Elevensies with Lisa".

If you sign up at Conference Keeper you will know more than you can handle www.conferencekeeper.org
This is a calendar of just about every virtual and live event going on all over the place.

Amy Johnson Crow is on Facebook and at her own site. She also sends out an email so you can know what topic she will be covering that week which is FREE. She also has a group "52 Ancestors in 52 Weeks" which gives you a topic to write on each week, also FREE.

Now for a favorite of mine. Thomas MacEntee who can help you with just about anything, although he is slowing down for live events. He still does a lot of webinars and has several on www.familytreewebinars.com (even some if you want to learn how to use Word and Excel).

www.genalogybargains.com is his website. I highly recommend you get his daily email. He always mentions when something goes on sale, like DNA kits

His Facebook Groups are:

Genealogy Do Over
